Wildlife Research and Management Leaflet BS-36

Washington, D. C. * January 1936

PUBLICATIONS ON FUR AND FUR ANIMALS

Compiled in the Section of Fur Resources, Division of Wildlife Research

---

The publications preceded by a star (*) can be obtained only by purchase from the Superintendent of Documents, Government Printing Office, Washington, D.C., at the prices stated; remittances should be sent direct to the Superintendent of Documents and not to the Department or Bureau, as the Department of Agriculture does not sell publications.

The non-technical publications listed without a star can be obtained free from the Office of Information, U.S. Department of Agriculture, Washington, D.C.

The mimeographed information leaflet can be obtained free on request addressed to the Chief, Bureau of Biological Survey, U. S. Department of Agriculture, Washington, D.C.

As the supply for free distribution of the non-technical publications is limited, applicants are requested to ask for ONLY ONE COPY of those in which they are interested.

In all requests, please mention the series, the number, and the title of the publications desired.
